

Synchronized Skating Team Tryouts!

Fleur de Lis Synchronized skating is a super fun way to meet experienced coaches, and other skaters who not only love the sport, but want to share their enjoyment with skating friends in an expressive way. Alpha thru Freestyle skaters are encouraged to join!

Beginning synchro gets you into a fun sport that will keep you wanting to come back every week. Fun skating outfits, cool music, and an artistic program that will put you into the Fleur De Lis spirit. Our beginning team is composed of 8-16 skaters who compete locally and nationally.

Tryouts and a parent information meeting will be held on August 28 from 3:00-4:15pm at the Brentwood Ice Arena. The cost is \$10.

Tryouts are like a small taste of the skills you will be learning every week. Synchronized Skating is one of the fastest growing sports around. Come be part of the fun and join St. Louis Fleur de Lis Synchronized Skating of the St. Louis Skating Club. For more information please e-mail us at Gartin@aol.com.

There are spots available on our Intermediate and Open Juvenile teams as well. For more information on these teams please contact stlfdl@yahoo.com.
